Dear Colleagues,

Parent/Teacher Interviews: An Essential Conversation
Tips for Parents

The Federation of Catholic School Parent Communities has recently revised its popular brochure Parent/Teacher Interviews: An Essential Conversation providing tips for parents to make the most out of parent/teacher interviews.

There are now two versions – one for parents with children in primary school and the other for parents of secondary school aged children.

I invite you to share this resource with families in your school community by adding the following links to your next school newsletter.

Parent/Teacher Interviews - tips for parents (Primary)
Parent/Teacher Interviews - tips for parents (secondary)

The brochures are available on our website at www.parentfederation.catholic.edu.au

I thank you for your support in sharing this resource with your families.

Yours sincerely
